

Application denied. Mr. Valentine indeed received two status points for committing the instant federal offense while on parole, under the old version of USSG 4A1.1. Under the new version, he would only receive one status point, for committing the offense while on parole and having at least 7 or more criminal history ("CH") points. That would reduce his CH points from 18 to 17. He would still be in CH Category VI, which is for offenders with 13 or more CH points. Because the reduction from 18 points to 17 would not change his Guidelines range, a sentence reduction is precluded under USSG 1B1.10(a)(2)(B) (reduction not authorized where amendment does not lower applicable Guidelines range). The Clerk of Court is respectfully directed to send a copy of this endorsement to Mr. Valentine.

SO ORDERED.
